

Working in pairs with the original author and one other create a design doc for the concept.

Pete will tell you which order the concepts are for you or tell which one to work on.

Pairs we be joined into groups of four for the project based on grade with the best two pairs working together and so on.

Groups of 12 students, you get one day to pick another group, then I match you up.

Pairs may come either half of the class.

Document needs to be a PDF

Each section needs your initials plus percentage contributed, otherwise no marks

This is worth 12% of the module grade.
